Date: Thursday, May 7, 2020

Time: 8:00am to 8:50am MTN

The Experience: We've considered calling this an "un"webinar – because you will NOT be subjected to a training or asked to purchase something at the end. Instead, this is *50 minutes of unfiltered, live, honest discussions among inspired collaboration practitioners* focused on breaking the humanistic barriers we're all facing in business today.

The Value to You: Practical methods to align and connect teams to priorities, colleagues and organizational culture – especially during times of acute change.

Do you:

- ✓ prioritize developing collaborative ecosystems, where the hearts and minds of others are energized around a shared reality?
- ✓ embrace collaborative leadership as a moral responsibility?
- ✓ commit to actively receiving and giving through the discovery process?
